

4x8 Copper Cathode Sheets Cladding Plate Metal Customized

Our Product Introduction

Basic Information

- Place of Origin: china
- Brand Name: jinshunlai
- Certification: IOS
- Model Number: 0.1mm-900mm
- Minimum Order Quantity: 1kg
- Price: contact us
- Delivery Time: 5days
- Payment Terms: L/C, T/T , Western Union,D/P
- Supply Ability: 90000ton

Product Specification

- Color: Red Yellow
- Highlight: 4x8 copper cathode sheets,
copper cathode sheets Cladding,
Customized copper sheet metal 4x8

Product Description

Product Description:

Copper Sheet Plate is a kind of metal product made of pure copper. It is a high-performance product which features excellent electrical and thermal conductivity, good ductility, and superior corrosion resistance. The thickness of Copper Sheet Plate ranges from 0.1mm to 200mm, and its length, width, and shape can be customized according to customer's needs. Copper Sheet Plate can be processed in a variety of ways, including cutting, bending, welding, perforating, plating, and more. Whether you need sheet plate for electrical applications, or for decorative purposes, Copper Sheet Plate is the perfect choice.

Features:

Product Name: Copper Sheet Plate

Package: Standard Export Package

Thickness: 0.1mm-200mm

Processing: Cutting, Bending, Welding, Laminating, Perforating, Corrugating, Etc.

Tolerance: ± 0.01 mm

Surface: Polished, Bright, Anodized, Etc.

Technical Parameters:

Property	Value
Width	1000mm-3000mm
Processing	Cutting, Bending, Welding, Etc.
Package	Standard Export Package
Length	1000mm-6000mm
Material	Copper
Tolerance	± 0.01 mm
Payment Term	T/T, L/C, Etc.
Shape	Sheet Plate
Thickness	0.1mm-200mm
Certificate	ISO 9001:2008, SGS, Etc.

Applications:

Copper Sheet Plate is a product made of premium copper material with excellent malleability and ductility. It is available in a variety of models, such as C10100, C10200, C10300, C10400, C10500, C10700, C10800, C10910, C10920, C10930, C11000, C11300, C11400, C11500, C11600, C12000, C12200, C12300, C12500, C14200, C14420, C14500, C14510, C14520, C14530, C17200, C19200, C21000, C23000, C26000, C27000, C27400, C28000, C33000, C33200, C37000, C44300, C44400, C44500, C60800, C63020, C65500, C68700, C70400, C70620, C71000, C71500, C71520, C71640, C72200. It is the perfect choice for copper sheet laminating, copper sheet plating and other industrial applications due to its high performance. It is certified by ISO 9001:2008, SGS, etc., and it is available in various widths from 1000mm to 3000mm with a tolerance of ± 0.01 mm. Its surface can be polished, bright, anodized, etc. It is from Jiangsu, Wuxi and is guaranteed to be of superior quality.

Customization:

Customized Copper Sheet Plate Services

We provide customized copper sheet plate services for brands such as Copper, with model numbers including C10100, C10200, C10300, C10400, C10500, C10700, C10800, C10910, C10920, C10930, C11000, C11300, C11400, C11500, C11600, C12000, C12200, C12300, C12500, C14200, C14420, C14500, C14510, C14520, C14530, C17200, C19200, C21000, C23000, C26000, C27000, C27400, C28000, C33000, C33200, C37000, C44300, C44400, C44500, C60800, C63020, C65500, C68700, C70400, C70620, C71000, C71500, C71520, C71640, C72200.

Our services include copper sheet rolling, copper sheet stamping and other customized services.

Place of origin: Jiangsu Wuxi

Payment term: T/T, L/C, etc.

Certification: ISO 9001:2008, SGS, etc.

Width: 1000mm-3000mm

Tolerance: ± 0.01 mm

Length: 1000mm-6000mm

Support and Services:

Copper Sheet Plate Technical Support and Service

We offer technical support and service for Copper Sheet Plate products. Our team of experts is available to answer any questions you may have regarding installation, troubleshooting and maintenance of your Copper Sheet Plate product. We also provide technical advice and guidance on the best way to use and apply your Copper Sheet Plate product. If you have any further inquiries or need assistance with your Copper Sheet Plate product, please do not hesitate to contact us.

Packing and Shipping:

Copper Sheet Plate Packaging and Shipping:

Copper sheet plates are typically packaged in cardboard boxes and shipped using standard shipping methods. For large orders, copper sheet plates may be packaged in wooden pallets and shipped in containers.
